

Ladder Rules:

1. Each match is first to reach 9 games. NO TIEBREAK at 8 all.
2. A point will be awarded for each game won during the match e.g. a 9-7 score will mean the winner has 9 points and loser has 7 points.
3. Also, each win will receive 3 points.
4. At least 1 game must be played per month or you will be removed from the ladder.
5. If you do not play any games and ask to stay on ladder you will be relegated 1 division.
6. Players who remove themselves or are removed through inactivity from the ladder must wait for one month from removal before being able to return to the ladder and will be returned to a similar position.
7. Highest two scorers in the groups will move up the ladder and lowest two scorers will move down. Middle scorer will stay where they are.
8. New Players will be added to the ladder at the start of each month only and where possible, according to grade.
9. It is your responsibility to record your score on online system. If you do not record your score it will go down as a game not played.
10. So don't just sit there — make a phone call! Like you, the other members of your ladder are eager to play. And, regardless of your frequency or level of play, there are tennis matches waiting for you!
